I. BOARD OF TRUSTEES

1.1 GENERAL. Subject to the limitations of the Articles of Incorporation, these Bylaws and the laws of the State of California, the powers of this corporation (hereinafter sometimes referred to as “the University”) shall be exercised, its property controlled, and its affairs conducted by or under the direction of the Board of Trustees (the “Board”). The authorized number of voting Trustees shall be sixty until changed by amendment to the Articles of Incorporation or by amendment of this Article I, Section 1.1.

1.2 TERM OF OFFICE. Except as otherwise specified herein, the regular term of office of a Trustee shall be for five years. If a Trustee is elected at an annual meeting of the Board, his/her term shall commence immediately following the adjournment of such annual meeting and continue until the annual meeting of the Board in the fifth calendar year following the year of such election, and until the election of his/her successor. If a Trustee is elected at a meeting of the Board other than an annual meeting, his/her term shall commence immediately following the adjournment of the meeting at which he/she was elected and continue until the annual meeting of the Board in the fifth calendar year following the first annual meeting following his/her election, and until the election of his/her successor. No person may serve as a Trustee, other than as a Life Trustee, Honorary Trustee, or Trustee Emeritus, after the annual meeting following his or her eightieth birthday, and no Trustee may serve as Chairman or Vice Chairman of the Board of Trustees or of a Committee after the annual meeting following his or her seventy-fifth birthday. The terms of office of approximately one fifth of the authorized number of Trustees shall expire each year, and approximately one fifth of the number shall be elected by the Board at each annual meeting. Prior to his/her election, the USC Alumni Association Board of Governors shall submit the names of nominees to be President-Elect of the USC Alumni Association Board of Governors to the Board Personnel Committee and Executive Committee for consideration to be added to the list of authorized candidates among whom the President of the University may choose, at his/her discretion, to make an offer of trusteeship. Following completion of his/her term as President of the USC Alumni Association Board of Governors, this candidate may be offered an Alumni Trusteeship, subject to election by the Board, and he/she shall serve a term of five years and not be eligible for re-election to a consecutive term. Any Trustee may resign his/her office at any time effective upon giving written notice to the Chairman of the Board, the President of the University, the Secretary of the University or the Board, unless the notice specifies a later time for the effectiveness of such resignation. The Board may, by approval of a majority of all members of the Board, declare vacant the office of any Trustee who is absent from eight successive meetings of the Board. Prior to nominating a Trustee for re-election, the Board Personnel Committee shall carefully review that Trustee's attendance and participation at Board and committee meetings, participation in University events, fund-raising on behalf of the University, and contributions to the life of the University.

1.3 VACANCIES. Any vacancy in the Board may be filled by the Board or by a majority of the remaining Trustees then in office, even if less than a quorum. A vacancy may be filled only for the unexpired portion of its term.

1.4 CHAIRMAN OF THE BOARD. The Board shall elect, from among its members, a Chairman.

II. LIFE TRUSTEES, HONORARY TRUSTEES AND TRUSTEES EMERITI

2.1 LIFE TRUSTEES. Any member of the Board who has served a minimum of nine (9) years may be elected as a Life Trustee. The Board may also elect a person a Life Trustee if he/she: (a) resigns after serving less than nine (9) years, if that person's resignation results from conditions of health, or (b) is past his/her eightieth birthday at the time of election and has made extraordinary contributions to the advancement of the University. The term of office of a Life Trustee shall continue for his/her lifetime unless he or she is removed from office by a majority vote of all members of the Board. A Life Trustee shall not be a member of the Board. He/she may attend meetings of the Board and its Committees and participate in discussions but without a vote.

2.2 HONORARY TRUSTEES. The Board may elect Honorary Trustees from among those who have made extraordinary contributions to the advancement of the University. The term of office of an Honorary Trustee shall continue for his or her lifetime unless he or she is removed from office by a majority vote of all members of the Board. An Honorary Trustee shall not be a member of the Board. He/she may attend meetings of the Board and its Committees and participate in discussions but without a vote.

2.3 TRUSTEES EMERITI. The Board may elect a President Emeritus (Honorary) and may elect Trustees Emeriti from among those Trustees who have completed terms as President of the University and who have been elected and are serving as President Emeritus, who have also completed their regular term of service on the Board, and who have rendered outstanding service to the University. A Trustee Emeritus shall not be a member of the Board. He/she may attend meetings of the Board and its Committees and participate in discussions but without a vote.

3.3 SPECIAL MEETINGS. Special meetings of the Board may be called at any time by the Chairman of the Board or by any five members of the Board or by the President of the University. Each such call shall be in writing directed to the Secretary of the University.

3.4 NOTICE. Notice of every regular and special meeting shall specify the time and place of the meeting. Notice of each regular meeting shall be mailed to each member of the Board at least ten days prior to the meeting or delivered personally or by telephone, including a voice messaging system or other system or technology designed to record and communicate messages, telegraph, facsimile, electronic mail, or other means of electronic transmission, at least five days prior to the meeting. Notice of regular meetings may be given in the form of a calendar or schedule that sets forth the date, time, and place of more than one regular meeting. Notice of each special meeting shall be mailed by first-class mail to each member of the Board at least four days prior to the meeting or delivered personally or by telephone, including a voice messaging system or other system or technology designed to record and communicate messages, telegraph, facsimile, electronic mail, or other means of electronic transmission, at least forty-eight (48) hours prior to the meeting. Any such notice shall be addressed or delivered to each member of the Board at such member's address as is shown upon the records of the University or as may have been given to the University by the member for purposes of notice. Notice by mail shall be deemed to have been given at the time a written notice is deposited in the United States mail, postage prepaid. Notice by electronic transmission must be (a) delivered by (i) facsimile telecommunication or electronic mail when directed to the facsimile number or e-mail address, respectively, for that member of the Board on record with the University, (ii) posting on an electronic message board or network which the University has designated for those communications, together with a separate notice to the recipient of the posting, which transmission shall be validly delivered upon the later of the posting or delivery of the separate notice thereof, or (iii) other means of electronic communication, (b) in a form that creates a record that is capable of retention, retrieval and review, and that may thereafter be rendered into clearly legible tangible form, and (c) to a member of the Board who has provided an unrevoked consent to the use of those means of transmission for such notices. Any other written notice shall be deemed to have been given at the time it is personally delivered to the recipient, is delivered to a common carrier for transmission to the recipient, actually transmitted by the person giving the notice by electronic means to the recipient, or in the case of posting on an electronic message board or network, the later of the posting or delivery of the separate notice thereof. Oral notice shall be deemed to have been given at the time it is communicated, in person or by telephone, including a voice messaging system or other system or technology designed to record and communicate messages, to the recipient or to a person at the office of the recipient who the person giving notice has reason to believe will promptly communicate it to the recipient. A notice or waiver of notice need not specify the purpose of any regular or special meeting of the Board.

3.5 PLACE OF MEETINGS. All meetings of the Board shall be held at the place specified in the notice of the meeting, and Board members may meet in whole or in part by teleconference or electronic video screen communication so long as all members participating in such meeting are able to hear and be heard by one another. Committees may meet at a time and place at their discretion, and committees may meet in whole or in part by teleconference or electronic video screen communication so long as all members participating in such meeting are able to hear and be heard by one another.

Each Board member present shall be entitled to one vote on each matter placed before the meeting. At an annual meeting, Trustees whose terms are expiring may be reelected and until the election of their successor shall be entitled to vote on all matters, including the election of their successors. Every act or decision done or made by a majority of the Trustees present at a meeting duly held at which a quorum is present is the act of the Board, unless the Articles of Incorporation or Bylaws of the University, or provisions of the California Nonprofit Public Benefit Corporation Law, particularly those provisions relating to appointment of committees (Section 5212), approval of contracts or transactions in which a Trustee has a material financial interest (Section 5233) and indemnification of Trustees (Section 5238), require a greater percentage or different voting rules for approval of a matter by the Board. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Board members, if any action taken is approved by at least a majority of the required quorum for that meeting, or a greater number required by the Articles of Incorporation or Bylaws of the University, or provisions of the California Nonprofit Public Benefit Corporation Law.

3.8 WAIVER. The transactions of any meeting of the Board, however called or noticed and wherever held, shall be valid as though at a meeting duly held after regular call and notice if a quorum is present, and if, either before or after the meeting, each of the Trustees not present, or who, though present, has prior to the meeting or at its commencement protested the lack or proper notice to him or her, signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof.
